**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of 7<sup>th</sup> Judicial District Child Advocacy Center dba The Dolphin House as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

**NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

1. Nature of Activities

The 7<sup>th</sup> Judicial District Child Advocacy Center dba The Dolphin House (the Center) was incorporated as a not-for-profit corporation in the State of Colorado in 2004 to provide coordinated and professional assessment and investigation of child abuse, and a safe place at the Dolphin House for children and families to get help. The Center serves families and individuals in the counties covered by the 7<sup>th</sup> Judicial District of the State of Colorado.

2. Recognition of Donor Restrictions

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Endowment contributions and investments, if any, are permanently restricted by the donor. Investment earnings available for distribution are recorded in unrestricted net assets. Investment earnings with donor restrictions are recorded in temporarily or permanently restricted net assets based on the nature of the restrictions.

3. Property and Equipment

The Center capitalizes those items with a cost of \$200 or greater and a useful life greater than one year. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Center reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Center reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment is depreciated using the straight-line method over the following lives:

Building	39	years
Equipment	5	years
Furniture and fixtures	5	years

**NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

4. Financial Statement Presentation

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restrict net assets – Net assets subject to donor-imposed stipulations that may or will be met, by actions of the Center and/or the passage of time. Temporarily restricted net assets, if any, are reclassified to unrestricted as their time and/or purpose requirements are met. The Center currently has no temporarily restricted net assets.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Center. Generally, the donors of these assets permit the Center to use all or part of the income earned on any related investments for general or specific purposes. The Center currently has no permanently restricted net assets.

5. Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

6. Income Taxes

The Center is a not-for-profit organization, other than a private foundation, that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

7. Cash and Cash Equivalents

For purposes of the statement of cash flows, the Center considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

8. Use of Estimates

In preparing financial statements in conformity with U.S. generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

However, service hours contributed by volunteers are assigned an appropriate dollar value dependent upon the types of service rendered, and that value is provided to those grantors who accept the amounts as matching dollars for grant purposes.
